Respect, Love, and Education Through Christ

The Arts are Alive and Well at St. Rose of Lima Academy!!

Over the past year, the NJ Department of Education has made many budget cuts to local boards of education that directly affect program offerings to make up the budget shortfall.

Here at St. Rose of Lima Academy, we put a high priority on our special programs including art, music, technology and world language instruction. We plan on continuing to offer these programs to round out the student's elementary education. In part we are able to do this due to the generosity of St. Rose of Lima parishioners. We are also looking to expand our programs in music and art by bringing state of the art technology to those academic areas. The
