

Saint Rose of Lima Academy

Respect, Love, and Education Through Christ

The fifth, sixth, seventh, and eighth grade students at St. Rose of Lima Academy were truly in the Christmas spirit when they decided to make Christmas cookies from scratch for the people who frequent the soup kitchen in Elizabeth. This was not an obligatory assignment. It was something that the students chose to do. They wanted to do this for those less fortunate than themselves.

They were all overwhelmed when they realized that they were able to fill four large computer paper boxes with homemade Christmas cookies. They estimated that there must have been over 400 cookies baked by our students.

Three students went to the soup kitchen to help pass out the food for the day. They reported back to their classmates that everyone at the soup kitchen were thrilled with their special Christmas cookies.
