

Saint Rose of Lima Academy

Respect, Love, and Education Through Christ

The St. Rose of Lima Academy Pre-K 3 and 4 year olds celebrated Thanksgiving by reenacting the First Thanksgiving Day Feast. The children met in the school cafeteria with the 3's representing the Native Americans and the 4's playing the part of the Pilgrims. The children enjoyed singing songs and wearing their costumes. But their favorite part was the eating. They feasted on chicken nuggets, stuffing, cranberries, carrots, and corn bread, all followed up by apple and pumpkin pie and cider. They were joined by their parents and family members.

A Thanksgiving Prayer Service was held by students in grades kindergarten to 8 in the gym. Each class composed a prayer of gratitude for the many blessings give to us by God. Msgr. Trabold, parents, family members, and alumni all joined us in prayer.
