

Incoming 4th Grade Math Summer Work

This summer, all students entering grade 4 are asked to complete IXL Summer Boost Skill Plan. The lessons will be a review of the concepts that were taught during the school year. Students may practice different skills if they want more practice.

1. Go to www.ixl.com
2. Sign in with your username and password.
3. Click on "Learning".
4. Click on "IXL Plans" under Skill plans.
5. Click on "IXL Summer Booster:Math" then click on "3rd"

There will be four weeks of assignments, one assignment per day.

Any questions, please feel free to reach out to me. grade4@srlacademy.org
