

## **Incoming 3rd Grade Math Summer Work**

This summer, all students entering grade 3 are asked to complete IXL Summer Boost Skill Plan. The lessons will be a review of the concepts that were taught during the school year. Students may practice different skills if they want more practice.

1. Go to [www.ixl.com](http://www.ixl.com)
2. Sign in with your username and password.
3. Click on "Learning".
4. Click on "IXL Plans" under Skill plans.
5. Click on "IXL Summer Booster:Math" then click on "2nd"

There will be four weeks of assignments, one assignment per day.

Any questions, please feel free to reach out to me. [grade3@srlacademy.org](mailto:grade3@srlacademy.org)
